ACTION ITEMS

None

DISCUSSION / INFORMATION ITEMS

I. District Administrative Office Sketches

Plans for potential reorganization of District administrative offices were reviewed and discussed.

II. Weapons Safe in EHS office

A growing trend in school districts, this resource would be for use by the SRO and local police in the event of an emergency only. Implementation will take place in January.

III. Drug Dog Searches

Drug searches by trained dogs will be taking place at Ephrata High School in the future. EHS families will receive communication beforehand.

IV. Car Dealership at Football Games

More information will be obtained to determine if this sponsorship opportunity will be pursued.

V. Immunization Update

At the time of the meeting, after 10 days of school, all students have met immunization requirements.

VI. Life Ready Graduate Implementation Support

Additional expertise is being sought to support professional development which aligns to the Life Ready Graduate initiative.

VII. Media Center Opening – Wed, Oct. 3

A public grand opening to tour the newly redesigned Ephrata High School media center will take place on October 3, 2018.

VIII. NSBA Presentation

The District will be providing two presentations at the 2019 NSBA Conference in Philadelphia.
