Information and Invitation

We have an assembly for a program entitled Rachel's Challenge on Wednesday 10/23 (link to the website below). Rachel's Challenge is not just about stopping negative behavior; it is really focused on the positive impacts that one person can have on others. Rachel Joy Scott was the first victim of the Columbine school shooting in 1999. Rachel's Challenge was birthed out of her writings and the impact that she had on many others during her brief life. The impact of her life has now reached over 25 million people worldwide. There is a 5-minute video at the link below that provides an overview of what Rachel's Challenge is and the impact of the program.

We have an assembly in the morning on Wednesday, a Rachel's Challenge student leadership training in the afternoon, and a Rachel's Challenge community event at 6:30pm in the HS auditorium. We would like to invite you to join us for the community event. We are very excited about what Rachel’s Challenge may mean for Ephrata. Doors open at 6:00pm
